Pursuant to N.J.S.A. 34:11-56.48, et seq., each bidder shall submit evidence of contractor registration with the New Jersey Department of Labor with its bid for any project involving construction, reconstruction, demolition, alteration, repair or maintenance of a public building regularly open to and used by the general public. If a bidder is not so registered, a bidder may submit a bid provided the bidder has filed a registration application with the New Jersey Department of Labor and includes a copy of the application with the bid.

### **F. Contractor Business Registration**

Pursuant to N.J.S.A. 40A:11-23.2 each bidder shall submit a copy of the contractor's business registration as well as the subcontractor's business registration. Failure to submit any of the foregoing items required under this statute is statutorily deemed to be a fatal defect in the bid that cannot be waived by the governing body.

### **G. Compliance with East Windsor Township Stormwater Pollution Prevention Plan**

The contractor shall be required to conduct this contract and to perform its activities, and those of any subcontractors, in a manner that is in compliance with East Windsor Township's Stormwater Pollution Prevention Plan, and any conditions of the Township's N.J.P.D.E.S. ## **VIII. METHODS OF AWARD**

- A. All contracts shall be for 12 consecutive months unless otherwise noted in technical or supplemental specifications.
- B. The TOWNSHIP may award the contract on the basis of the Base Bid, combined with such Alternates as selected, or on the basis of selected items or units of which the bid composed, in its discretion until a net amount is reached which is within the funds available.
- C. If the award is to be made on the basis of Base Bids only, it will be made to that responsible bidder whose Base Bid, therefore, is the lowest, If the award is to be made on the basis of a combination of a Base Bid with Options, or on the basis of selected items or units it will be made to that responsible bidder whose net bid on such combination is the lowest.
- D. The TOWNSHIP may also elect to award the work on the basis of line items or unit prices, whichever results in the lowest total amount.
- E. The successful bidder will not assign any interest in this contract and shall not transfer any interest in the same without the prior written consent of the TOWNSHIP.
- F. The Township reserves the power to make such investigations as it deems necessary to determine the ability of a bidder to perform the work, and a bidder shall furnish to the Township all such information and data for this purpose as the Township may request. The Township reserves the right to reject any bid in the evidence submitted by or investigation of such bidder fails to satisfy the Township that such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein.

The Township shall award the contract or reject all bids within such time as may be specified in the invitation to bid, but in no case more than sixty (60) days, except that the bids of any bidders who consent thereto may, at the request of the Township, be held for consideration for such longer period as may be agreed. All bid security except the security of the three apparent lowest responsible bidders shall, if requested, be returned after ten (10) days from the opening of the bids, Saturdays, Sundays and holidays excepted, and the bids of such bidders shall be considered as withdrawn. Within three (3) days after the awarding of the contract and the approval of the contractor's performance bond, the bid security of the remaining unsuccessful bidders shall be returned to them forthwith, Saturdays, Sundays and holidays excepted.

The bidder to whom the contract has been awarded shall, within the (10) days of the date of notification of award:

- A. Execute and deliver to the TOWNSHIP three (3) copies of the contract.
- B. Furnish proof satisfactory to the TOWNSHIP of the authority of the person or persons executing the contract on behalf of the contractor.
- C. Furnish the required performance guarantee and satisfactory evidence of insurance as required in these specifications. No change orders for delays or increased costs incurred as a result of the failure to submit documents in compliance with the terms and conditions of the specifications and bid proposal requirements shall be permitted.

When notice of an award is made, the bidder to whom the contract has been awarded will receive affirmative action forms as may be required by information the bidder has supplied with the affirmative action questionnaire. The bidder shall complete the forms and return within three (3) days for procurement or service contracts or within ten (10) days for construction awards.

All the terms in this proposal in its entirety, along with the plans and specifications, the bid forms and other documents submitted by the bidder, the contract, if awarded by the TOWNSHIP Council, between the bidder and the TOWNSHIP, and the resolution authorizing same, shall constitute the agreement for the proposed work and shall be binding upon all parties in full.

## IX. REJECTION OF BIDS

### A. Availability of Funds

Pursuant to statutory requirements, any contract resulting from this bid shall be subject to the availability and appropriation of sufficient funds annually.

### B. Multiple Bids Not Allowed

More than one bid from an individual, a firm or partnership, a corporation or association under the same or different names shall not be considered.

### C. Unbalanced Bids

Bids, which are obviously unbalanced, may be rejected.

### D. Unsatisfactory Past Performance

Bids received from bidders who have previously failed to complete contracts within the time scheduled therefore, or who have performed prior work for the TOWNSHIP in an unacceptable manner, may be rejected.

### E. Failure to Enter Contract

Should the bidder, to whom the contract is awarded, fail to enter into a contract and submit all Performance Guarantees, Certificates of insurance, and all other documents required in these Instructions and/or the specifications within 21 days, Sundays and holidays excepted, the TOWNSHIP may then, at its option, accept the bid of the next lowest responsible bidder.

F. Failure to complete/submit forms

Failure to complete and/or submit any forms required hereunder may be cause for rejection. As between two bidders whose proposals are otherwise equal, a bidder who has completed and included all forms correctly will be given preference.

G. Best Interest of Township

The Township of East Windsor reserves the right to reject any and all bids for any lawful reason, in the Township's best interest.

**X. TERMINATION OF CONTRACT**

- A. If, through any cause, the successful bidder shall fail to fulfill in a timely and proper manner obligations under this contract or if the contractor shall violate any of the requirements of this contract, the TOWNSHIP shall thereupon have the right to terminate this contract by giving written notice to the contractor of such termination and specifying the effective date of termination. Such termination shall relieve the TOWNSHIP of any obligation for balances to the contractor of any sum or sums set forth in the contract.
- B. Notwithstanding the above, the contractor shall not be relieved of liability to the TOWNSHIP for damages sustained by the TOWNSHIP by virtue of any breach of the contract by the contractor and the TOWNSHIP may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the TOWNSHIP from the contractor is determined.
- C. The contractor agrees to indemnify and hold the TOWNSHIP harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the TOWNSHIP under this provision.
- D. In case of default by the successful bidder, the TOWNSHIP may procure the articles or services from other sources and hold the successful bidder responsible for any excess cost occasioned thereby.
- E. Continuation of the terms of this contract beyond the fiscal year is contingent on availability of funds in the following year's budget. In the event of unavailability of such funds, the TOWNSHIP reserves the right to cancel this contract.

**XI. DELIVERY OF MERCHANDISE**

The units specified shall be delivered to the Township of East Windsor, at such place and time as set forth in the Detailed Specifications attached hereto as Appendix A. Receiving hours are between 8:30 AM and 4 PM.

The successful bidder shall deliver complete units as specified, with service manuals, operating manuals and installation instructions for each unit. All delivery and handling costs shall be included in the unit price bid on the proposal page. No payment will be made for additional shipping costs.

**XII. WITHDRAWAL OF BID**

N.J.S.A. 40A:11-23.3 authorizes a bidder to request withdrawal of a public works bid due to a mistake on the part of the bidder. A mistake is defined by N.J.S.A. 40A:11-2(42) as a **clerical error that is an unintentional and substantial computational error or an unintentional omission of a substantial quantity of labor, material, or both, from the final bid computation.**

A bidder claiming a mistake under N.J.S.A. 40A:11-23.3 must submit a request for withdrawal, **in writing**, by certified or registered mail to: Cindy A. Dye, Municipal Clerk, East Windsor Township, 16 Lanning Boulevard, East Windsor, NJ 08520. The bidder must request withdrawal of a bid due to a mistake, as defined by the law, within five (5) business days after the receipt and opening of bids. Since the bid withdrawal request shall be effective as of the postmark of the certified or registered mailing, the Municipal Clerk or her designee, may contact all bidders, after bids are opened, to ascertain if any bidders wish to, or already have exercised a request to withdraw their bid pursuant to N.J.S.A. 40A:11-23.3.

A bidder's request to withdraw the bid **shall** contain evidence, including any pertinent documents, demonstrating that a mistake was made. Such documents and relevant written information shall be reviewed and evaluated by the Township's designated staff pursuant to the statutory criteria of N.J.S.A. 40A:11-23.3.

The Township will not consider any written request for a bid withdrawal for a mistake, as defined by N.J.S.A. 40A:11-2(42), by a bidder in the preparation of a bid proposal unless the postmark of the certified or registered mailing is within the five business days following the opening of bids.

**BIDDER'S CHECKLIST**

The following checklist must be submitted with the bid. It is provided for bidder's use in assisting with compliance with all required documentation. All items checked under the heading required by Township must be submitted with bid. Failure to submit this completed checklist or any other required submissions may be cause for rejection of bid.

**Please be advised that the supplementary provisions (Project specific Specifications) for all present & future Bridge Painting contracts required all contractors and sub-contractors to have valid Certificates SSPC-QP1 & SSPC-QP2 issued by The Society for Protective Coatings (<http://www.sspc.org>) at the time of bid and duration of the contract.**

This CLASSIFICATION will be effective 07/16/20 and will expire on 06/30/21.

Your financial capability is defined as the dollar threshold on the maximum of a project rating, which is assigned by the Department pursuant to N.J.A.C 16:44-3.6 upon examination of the contractor's Questionnaire and financial statement submitted by the contractor in accordance with this chapter. Project Rating is defined as the maximum dollar amount that a contractor shall be allowed to bid in a particular work type on an individual project.

Bid will only be accepted from a contractor classified with the Department pursuant to N.J.A.C. 16:44-3. Bids will only be accepted from a contractor who has been classified in at least one of the work classifications required in the project advertisement. Bids will be accepted from a contractor in an amount that does not exceed its project rating. When there is a question as to whether a bid is within the contractor's classification or, where it reasonably appears that a contractor may not have the classification that will allow it to bid on a project for which bids are being sought, the bid will be opened provisionally. If the bid is for a different work classification or in a dollar amount greater than the contractor's maximum project rating, the bid will be rejected.

In order to be continuously eligible to bid on projects to be undertaken by this Department, your next Contractor's Financial and Equipment Statement should be submitted one month before the expiration date, but must be received at least 15 days prior to the date set for receipt of bids for which the classification will be used.

Requirements of New Jersey Administrative Code 16:44-12.1 and 12.2 must be compiled with by all corporations classified with the New Jersey Department of Transportation.

Sincerely,

Keith A. Daniels

Taxpayer Identification# 320-067-125/000

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law (Public Law 2001, c.134) requires all contractors and subcontractors with State agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609) 292-1730.

I wish you continued success in your business endeavors.

Sincerely,

John E. Tully, CPA  
Acting Director
