

Child Health Conference

Child Health Conference (Well Baby Clinic) is held 3 times a month at 535 North Main Street in Hightstown.

Appointments are required as clinic times may vary. Morning and evening hours are available. The clinic is open to children 2 weeks to 18 years of age. It is restricted to children without health insurance. Parents will need to provide a current copy of their child's immunization record. Appointments can be made by calling the Health Department at 609-443-4000 ext. 222.

Physical exams, sports physicals and working papers exams are provided. Immunizations, TB testing, and lead screening are also available.

TB Testing

Employment required TB testing can be scheduled with the Health Department. Two appointments are needed spaced 48 to 72 hours apart. Documentation of test results will be provided. Appointments can be made with the Public Health Nurse at 609-443-4000 ext. 222

Home Visits

Home visits for residents are provided by the Public Health Nurse. Wellness visits, blood pressure monitoring, med box refills, assistance with glucose monitoring can be scheduled.

Flu Clinics

Senior Citizen Flu Clinics are held in the early fall. Appointments for the flu shot can be made by calling the Health Department at 609-443-4000 ext. 222

Residents must be 60 years old or older. Pneumonia shots are also available for residents 65 years and older. Home visits are available for the frail and homebound residents. If you have special medical needs or chronic illnesses, contact the Public Health Nurse for further assistance.
