### ABOUT THE MEMORIAL TREE GROVE PROGRAM

East Windsor Township offers residents and community groups a meaningful opportunity to create a living tribute in memory of a loved one or in honor of a special person, group, or event through the planting of a commemorative tree.

An area in front of the Municipal Building, located off Lanning Boulevard, has been designated for these memorial plantings. Each tree will be accompanied by a granite marker inscribed with the personalized information provided.

*The Memorial Tree Grove Program is proudly sponsored by Mayor Janice S. Mironov and the Council Members, in cooperation with the East Windsor Township Environmental Commission.*
